Adverting to Government Orders No L 7480-83/M161-40-22 dated 18th April 1941 and L 7883-87/M1 61-40-31 dated 6th May 1941, sanctioning the proposals of the Chitaldrug, Challakere, Molakalmuru and Mayakonda Municipalities of this District, for taking up the revision of Assessment work, I have the honour to state that the work in the Chitaldrug Town Municipality where the revision was already overdue was taken up by the Assessing Officer Mr H S Narayana Rao, with effect from 1st July 1941, in accordance with the programme of work prescribed by this Office

2 The Chitaldrug Town consists of five Blocks with 3200 houses and 300 vacant sites

3 By the end of August 1941, the Assessing Officer completed the revision of assessment work in I Block of the town, which consists of 860 properties The work in the II Block of the Town was commenced in the 1st week of September 1941

3 As the sanctioned term of three months was to expire on the afternoon of 30th September 1941, the -- question of further continuance of the appointment of the Assessing Officer or otherwise was considered by the Municipal Council at their meeting held on 27th September 1941 The Municipal Council passed a resolution to the effect that further work of revision in other blocks (i e from III to V) might be ~~defined~~ deferred after the completion of the revision work in the II Block, in view of the prevalance of plague infection in the Town and the consequent evacuation of houses (vide resolution copy enclosed for kind perusal)

4 The Municipal President states that further revision work might be taken up and continued in the remaining three blocks i e from III to V, after revision of work is completed in other Municipalities of this District, by which time the epidemic might subside and the town might be re-occupied

5 The President reports that the revision work in the Second block of the Town consisting of 1535 properties has since been completed that the posting of the concerned registers by the Assessing Officer would be completed by about the 20th instant He adds that the Assessing Officer has been directed to get himself relieved on the 20th -- instant

6 As regards the question of meeting the pay of the Assessing Officer during the extended period viz from 1-10-41 to 20-10-41 both days inclusive the Municipal President states that it would be met by re-appropriation of sanctioned grants in due course

7 Owing to plague infection in the Town, major portion of the Town has been evacuated and that it might take about 2 to 3 months more for reoccupation of the town

8 I am therefore of opinion that it would be better if the assessing work in Chitaldrug Municipality is stopped for the present and resumed after plague subsides, as otherwise it would be a waste of Municipal money and the work also cannot go on

9 I have in anticipation of kind approval of Government directed the Assessing Officer (Mr H S Narayana Rao) to take up the revision of Assessment work in the Challakere Municipality (where also the revision is due in the year) after his relief in Chitaldrug Municipality on the 20th instant

10 The work in the remaining three blocks of the Chitaldrug Municipality might be resumed after the town becomes free from plague infection

11 In these circumstances, I request that orders of Government may kindly be obtained and communicated to permit the Chitaldrug Town Municipal Council to stop the work of -- revision of assessment from the 20th instant for resuming the revision work by the Assessing Officer in the remaining blocks after plague subsides and to meet his pay for 20 days in October 1941 by reappropriation out of sanctioned grants

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Chitaldrug District
